Bill Harris 12523 Caminito Vista Soledad San Diego, Ca 92130.

Event proceeds will benefit, The Interscholastic Surfing Federation, The California Surf Museum, and the Oceanside & El Camino High School Surf teams.

### TEAM / ALTERNATES

Each team will consist of the following number of entries: 2-Jr. Men, 2-Men, 2- Sr.Men, 2 Master, 2-Grand Master, 2-Legend, 2- Jr Women, 2- Women, 2-Sr. Women, 2-Menehune Boys and 2-Menehune Girls, 2-stand up paddle and 1 Tandem team. Clubs may have alternates, depending upon availability (must be paid in full). Any two members placing highest in each division will earn qualifying points for the team. The paddle race and stand-up paddle count for points. Alternates must be paid in full with initial club application by the entry deadline. Team Captains will be notified of status of alternate entries and refunds will be made for alternates who do not surf due to unavailable space only.

This year's event will feature a **Paddle Board Race, Stand-up paddle division and a President's Heat.**

### TANDEM

Tandem team is defined as one male, and one female weighing at least half the weight of the male competitor. Tandem team members may also enter other contest divisions. **Tandem fee waived if one tandem competitor enters another division.**

### **BOARDS/HEATS**

Board size is 9 feet. The only exception is Menehune's and women which will be 9 feet or 3 feet over competitor's head. Boards will be measured. Heats consist of 6 competitors for a total of 15 minutes. Top 2 waves will be tabulated. Finals consist of 6 competitors for a total of 20 minutes. Top 3 waves will be tabulated in final event.

### **JUDGING**

All divisions will be judged using Ride Quality Recorder (RQR) rules. (See Contest Rules and Regulations). There will be 5 judges and a Head judge. Carolyn Krammer will be tabulating the judge's scores. **The "Team Captain" is the only person allowed to protest a heat in the Coalition Event.**

### **CONTEST RULES AND REGULATIONS** **SUGGESTED GUIDELINES OF THE COALITION OF SURF CLUBS**

Heats will be 15 minutes, Final heats will be 20 minutes.

Each heat will begin and end with one horn blast and display of a green flag. A five-minute warning will be given with two horn blasts. At the conclusion of the heat, competitors will immediately return to the beach as the next heat begins. If a competitor stands up before the beginning of the heat it will result in the loss of the points scored for the highest scoring wave for the competitor in that heat. Exiting competitors must not stand up after the conclusion of their heat. Violation of this will result in a deduction of the lowest scoring wave of the competitor's heat total.

In all water starts, competitors may enter the water at the five-minute warning (two horn blasts). Competitors waiting for their heat to start must stay clear of the heat in progress. Failure to do so will result in a paddling interference, with a loss of the lowest scoring wave in the competitor's wave total.

Surfboards must be a minimum of 9 feet in length. Women and juniors may use boards which are 3 feet longer than the height of the contestant. No paddling gloves. Cords are optional. The Contestant assumes responsibility for not using a leash.

Maximum wave count and number of scoring waves will be set depending on the surf conditions of the contest. The surfer will be advised of the maximum total of waves they may catch prior to the commencement of the heat. Upon reaching the maximum wave totals, competitors will exit the water.

6. Interference:

A. The first rider up, closest to the curl, has wave possession. In the event that two riders stand up at the same time, the rider closest to the curl has possession. (Standard point break rule).

B. In the event that two riders stand up on an unbroken wave, the first competitor up has possession. (Standard reef or beach break rule). The other rider may take off in the opposite direction. To have possession of a wave, the rider must be on his feet in front of or in the curl after the first turn. Any action which impedes a contestant riding or taking off on a wave by dropping in, taking off, or paddling in

front of the rider in possession will result in an interference called (Loss of highest scoring wave in that heat). In cases where a rider is in front of another unknowingly or so appears to judges and if the rider exits with no impedance, no interference shall be called. (No harm, no foul).

Snake rule: Paddling in front, around, or behind a competitor to impede and take wave possession is known as snaking. This interference results in a loss of the highest scoring wave in the competitor's heat.

Judging will be on a 20 point system only. The five judges on the stand drop high and low scores and use the rest. Competitors will be judged on style, wave selection, length of ride and controlled functional maneuvers. Shuffling and hopping back and forth on the surfboard will be considered poor style and will not be scored as high as walking.

**Protests must be filed in writing and placed in a protest box or tin within 30 minutes of the conclusion of the heat in question.** You must speak with a contest director or the head judge only.

**All contestants must check-in a half-hour before their heat to sign a waiver.**

Judges must check-in thirty minutes before the commencement of the contest.

Judges may not surf in the contest unless otherwise agreed upon by the head judge and contest directors.

### **TRADESHOW / DINNER**

A trade show will be in the band shell area on the south side of the pier where vendors offer their wares through the weekend. Pizza Port will host a beer/wine garden and there will be entertainment at the band shell throughout the event. We will be conducting product and surfboard raffles as well as a silent auction of surfboards..

Immediately following the last heat on Saturday, the "Varua Tahiti e" Polynesian dancers will perform. Hunter Steakhouse will serve dinner in the band shell area when the performance has concluded.

### **DIRECTIONS TO OCEANSIDE PIER**

From I-5, north or south, exit Mission Avenue West. Go past Coast Highway and over the railroad tracks you will dead in into the pier.
